

Ce matin dans la boîte aux lettres, un message

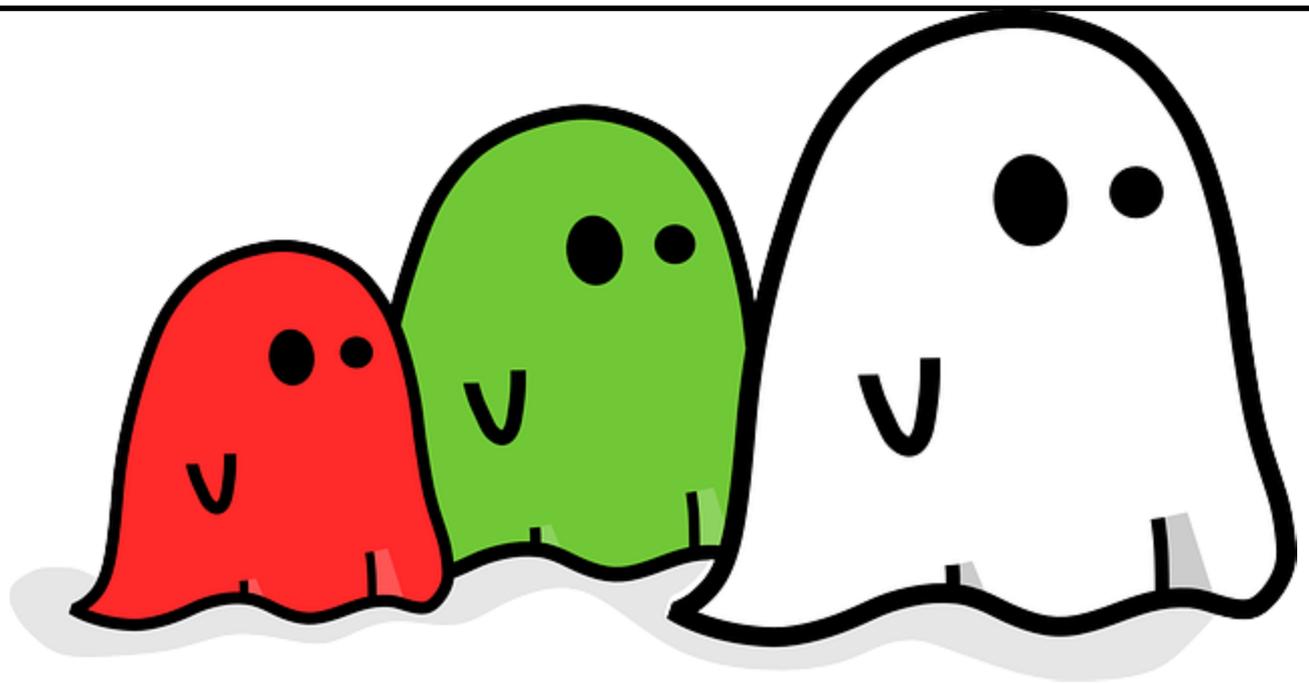

inquiétant nous était destiné :  
Des milliers de chauves-souris  
enragées ont prévu de  
venir attaquer l'école !

Si cela arrive vraiment, nous ne pourrons plus  
aller jouer dehors à la récréation,  
Il faut à tout prix  
éviter que cela arrive.

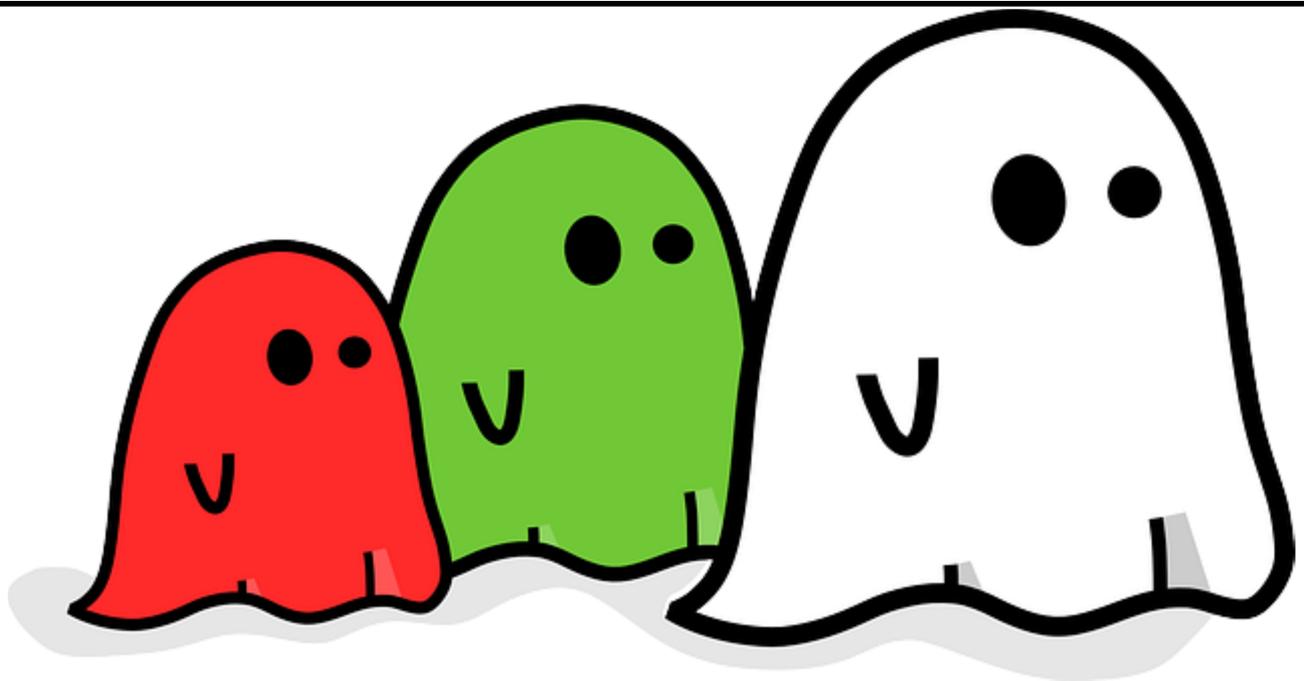

Il paraît qu'il existe une potion  
dans l'école qui pourrait les  
faire fuir mais  
malheureusement on ne  
sait plus où elle se trouve...

Aidez-vous des énigmes  
pour éviter l'attaque qui  
devrait avoir lieu  
cet après-midi.

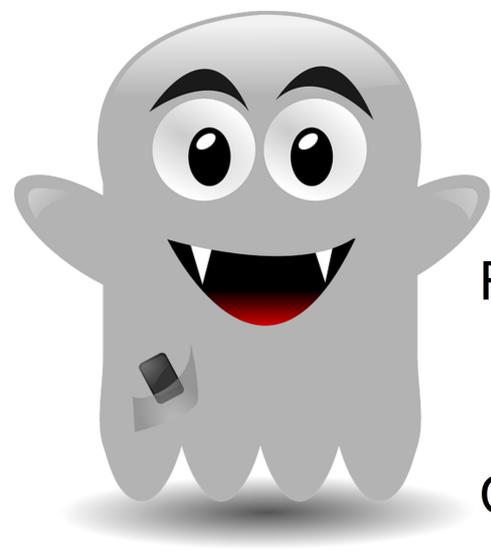

Sauvez votre récréé !!
